DSG MPG Proline

WITH YOU EVERY STEP OF THE WAY

CATERPILLAR ®

DSG has launched a new and improved cylinder kit line which will enhance performance, while reducing fuel consumption and wear of internal combustion components in large diesel engines.

Every component in this line has been designed to provide highest quality standard in the market.
We are proud to introduce this new line into the DSG's offering and look forward to keep supporting you... every step of the way.

The main characteristics of the components in the new line are the following:

Piston: The MPG coating on the skirt sides of the piston reduces friction, wear and improves lubrication.

Piston Rings: Made using technically advanced materials and profiled to maximize performance. In conjunction with the internal surface of the liner, the rings reduce blow by and break in time.

Piston Pin: Manufactured using high alloy steel, hardened and ground to achieve high strength and fatigue resistance.

Piston pin retainers: Designed and hardened to prevents possible damage to the piston and pin.

info@dsg-usa.com - www.dsg-usa.com

DSG MPG Proline

WITH YOU EVERY STEP OF THE WAY

Liner Cross Hatch

Liner: The MPG coating highly reduces the impact of foreign particles in the coolant and increases the resistance to corrosion and cavitation. Our specific design of the plateau honing allows a smooth interaction between the liner and the DSG piston rings.

Liner Seals: The high-performance material and the specific PTFE coating improves temperature and fluid resistance. It also reduces the possibility of spiral failures.

Part numbers are used for reference purpose only.
Caterpillar® is a registered trademark of Caterpillar Inc.
All items mentioned in this flyer are made by DSG Inc. and it does not imply that any of them is the product of the original equipment manufacturer.

DSG PowerPacks

WITH YOU EVERY STEP OF THE WAY

DSG manufactures one of the most comprehensive series of Cylinder and Piston kits in the Caterpillar® aftermarket line. A wide range of kits covering engines from C4.2 to C32 are offered. Additionally, all the traditional series like the D, G, 3000, 3100, 3200, 3300, 3400 and 3500 are also covered. All sleeved engines are covered with DLK kits.

Each DLK kit includes: Liner, Liner seals, Piston, Piston rings, Pin and Retainers.

For sleeveless engines, PK kits (Piston Kits) are offered. Each PK kit includes: Piston, Piston Rings, Pin and Retainers. Repair Sleeves are available separately.

DSG Cummins Powerpack

WITH YOU EVERY STEP OF THE WAY

DSG manufactures a comprehensive series of Cylinder Kits (DSG Powerpacks) for the Cummins® aftermarket line.

These Powerpacks are available for a wide range of engines from the NH220 to ISX & QSX series.

DLK Kits or Cylinder Kits include: Liner, Liner seals, Piston, Piston rings, Pin and Retainers.

Also available are Liner Kits including Liner and Liner seals and individual components.

VALVE TRAIN KITS

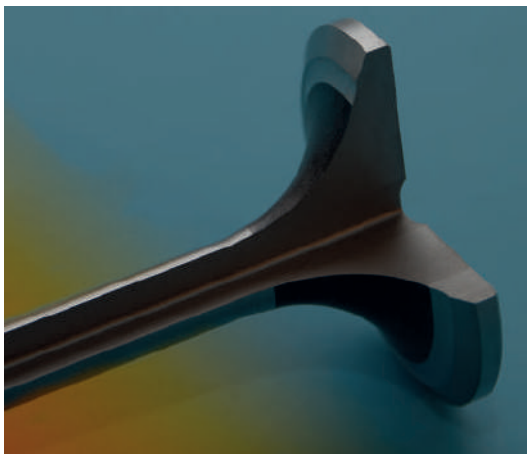

WITH YOU EVERY STEP OF THE WAY

DSG now offers a comprehensive solution to repair your cylinder head with our **NEW DSG VALVE TRAIN KITS**.

The kits consist of DSG precisely engineered and highest quality valve train components such as:

- **Engine Valves**
- **Valve Springs**
- **Valve Guides**
- **Valve Seals**
- **Valve Locks**

WARRANTY PROGRAM

WITH YOU EVERY STEP OF THE WAY

OVERVIEW

DSG Inc. parts are warranted to be free from defects in material and manufacture under normal use and service. DSG Inc. warranty coverage will extend for **twenty-four (24) months** from the date of installation in normal working conditions. DSG Inc. will cover (replace free of charge or pay for) all parts and/or labor needed to repair the warrantable failure, including progressive damage to the engine in question.

CONDITIONS

DSG Inc. must be notified by the customer before filing a warranty claim. All warranty claims must be submitted to DSG Inc. in writing. DSG Inc. reserves the right to examine any and all parts in question subject to a claim under this warranty. Price of parts replaced will be based on the current DSG, Inc. price list or other accepted suppliers at the option of DSG Inc. Cost of labor covered will be a reasonable hourly flat rate. Overtime rates, Holiday rates and transportation will not be covered.

LIMITATIONS

The provisions of this warranty shall not apply to any DSG Inc. part that has been altered from its original state. This includes, but is not limited to, alterations in packaging and/or markings, improper installation, abuse, misuse and exposure to environmental hazards. This warranty is provided solely to direct customers of DSG Inc. The warranty is the only obligation of DSG Inc. All other warranties, expressed or implied, including the warranties of merchantability and/or fitness for a particular purpose are excluded.

This warranty is limited to a six (6) month period on any and all natural gas applications.
